

Semalytix is a fast growing start-up that develops an AI-driven Business-Intelligence-as-a-Service platform for explaining the global conversation around Competitive Intelligence topics in the Pharma domain. Our AI is capable of reading digital text with human accuracy at machine scale. Based on this real-time processing, we serve action-ready insights to support our customers in making decisions at the operational and strategic level much faster, more informed and much easier – on the solid base of Machine Learning, Natural Language Processing and Knowledge Graphs.

We offer:

- A young, dynamic, and motivated international team with a background from 17 different nations striving for the best solutions for our customers
- An open and flexible culture and friendly working atmosphere
- The spirit and culture of a fast-paced and innovative, award-winning tech start-up
- The opportunity to learn about the Pharma industry
- Sponsored gym membership

In order to expand our team, we are seeking (8-15 hours per week):
